No Discussion items.

Supervisor meetings:

All the supervisors attended an Economic Recovery Meeting hosted by Bill Byrns, EMA Director, where the discussion was started and where counties need to have a plan of recovery after a devastating situation occurs.

Moore attended the TAC zoom meeting. TAC funding may be limited this year. Moore also spoke of House File 299 which could make public surveying more difficult if passed. Moore mentioned that the Access Management Guide is being reviewed and updated.

Moore also attended an election equipment demonstration put on by Election System & Software.

Seams mentioned that Senator Sinclair and Representative Fry will be at the Corydon- Farm Bureau office on Friday, February 24th @ 8AM and encouraged the public to attend. Seams also spoke of the Governors intentions to consolidate 36 agencies down to 16.

Seams attended the Veteran Affairs Meeting & Wayne County Conservation Board meeting. Conservation is always addressing the concern with ash trees. Conservation received some concrete trash receptacles from the City of Corydon, and they are very thankful for the donation and are working on sprucing them up. Moore also mentioned that Banks has finally made contact with someone in the DNR who can hopefully help improve Bob White and dredging the lake. There is a meeting scheduled for March 29th to discuss further.

Lange attended the 911 meeting and they discussed and approved the FY24 Budget. Lange also attended the Veteran Affairs Commissioner Meeting.

Public comment:

Seams is working Kenny Banks, Conservation Director to locate a Skid steer machine for conservation. Conservation has needed a skid steer for several years because the tractor and blade are not meeting all the challenges in the parks now days. They have found several machines that are within the price range of \$40,000-\$60,000 and are well worth the investment and hopefully will leave room to purchase additional attachments.
